How the 25 to Life Jailbreak Works

The 25 to Life Jailbreak is a debt repayment strategy that is designed to help you pay off your debt as quickly as possible. The strategy is based on

the idea of making extra payments on your debt each month. By making extra payments, you can reduce the amount of interest you pay and pay off your debt faster.

To use the 25 to Life Jailbreak, you will need to follow these steps:

1. Calculate your monthly debt payments.
2. Divide your monthly debt payments by 25.
3. Make extra payments on your debt each month equal to the amount you calculated in step 2.

For example, let's say that you have \$1,000 in debt and your monthly debt payments are \$100. To use the 25 to Life Jailbreak, you would divide your monthly debt payments by 25, which would give you \$4. You would then make extra payments on your debt each month equal to \$4.
