A Journey Through the Heart of American History

In Old New England takes readers on a journey through the heart of American history, from the arrival of the Pilgrims in 1620 to the outbreak of the American Revolution in 1775. Along the way, readers will learn about the everyday lives of colonial New Englanders, their struggles and triumphs, and their contributions to the founding of the United States.

The Pilgrims and the Founding of New England

The Pilgrims were a group of English Puritans who left their homeland in search of religious freedom. They arrived in Plymouth, Massachusetts, in 1620, and established the first permanent English settlement in New England. The Pilgrims faced many challenges in their new home, including harsh weather, disease, and conflict with the Native Americans. However, they persevered and eventually established a thriving colony.

The Puritans and the Massachusetts Bay Colony

In 1630, a group of Puritans led by John Winthrop arrived in Massachusetts and founded the Massachusetts Bay Colony. The Puritans were a more conservative group than the Pilgrims, and they believed in a strict interpretation of the Bible. They established a theocracy in Massachusetts, and they passed laws that regulated every aspect of life.

The Witchcraft Trials of Salem

One of the darkest chapters in American history is the Salem witchcraft trials. In 1692, a group of young women in Salem, Massachusetts, accused several people of witchcraft. The accusations quickly spread, and soon dozens of people were arrested and accused of practicing black magic. Twenty people were eventually executed for witchcraft.

The American Revolution

In the 18th century, tensions between the American colonists and the British government began to rise. The colonists resented being taxed without representation, and they objected to the British government's attempts to restrict their trade. In 1775, the American Revolution began with the battles of Lexington and Concord. The colonists eventually won their

independence from Great Britain, and the United States of America was born.
