Wonder Woman is a symbol of strength, courage, and hope. She has been an inspiration to people of all ages for decades. Her quotes are a source of wisdom and motivation, and they can help us to overcome challenges and achieve our goals.

In this article, we will explore some of the most inspirational quotes from Wonder Woman and the stories behind them. We will learn about the challenges she has faced, the lessons she has learned, and the wisdom she has to share.

"The future is not set. There is no fate but what we make for ourselves."

This quote is from the movie Wonder Woman (2017). It is spoken by Diana Prince, the Amazonian princess who becomes Wonder Woman. Diana is talking to Steve Trevor, an American pilot who has crash-landed on Themyscira, the island where the Amazons live. Steve is telling Diana about the war that is raging in the outside world, and Diana is reluctant to leave her home to help. However, Steve's words inspire her to realize that she has the power to make a difference in the world.

This quote is a reminder that we are not bound by our circumstances. We have the power to create our own future. We can choose to be victims of our circumstances, or we can choose to be victors. The choice is ours.

"I am not who you think I am. I am not a princess. I am not a god. I am a warrior."

This quote is from the movie Wonder Woman 1984 (2020). It is spoken by Diana Prince, who is now living in the United States and working as an archaeologist. Diana is talking to Maxwell Lord, a businessman who is trying to use her powers for his own gain. Diana refuses to be used, and she tells Maxwell that she is not who he thinks she is.

This quote is a reminder that we should not be defined by what others think of us. We should be true to ourselves, and we should not let others tell us who we are.

"You have the power to change the world."

This quote is from the TV series Wonder Woman (1975-1979). It is spoken by Diana Prince, who is talking to a group of children. Diana is telling the

children that they have the power to make a difference in the world, and she encourages them to use their powers for good.

This quote is a reminder that we all have the potential to make a difference in the world. We should never underestimate our own power, and we should always strive to use it for good.

"Believe in yourself. You are stronger than you think."

This quote is from the comic book *Wonder Woman #1* (1941). It is spoken by Diana Prince, who is talking to a young woman who is struggling to overcome her fears. Diana encourages the young woman to believe in herself and to realize that she is stronger than she thinks.

This quote is a reminder that we should all believe in ourselves. We should never doubt our own abilities, and we should always strive to reach our full potential.

"The greatest weapon is love."

This quote is from the movie *Wonder Woman* (2017). It is spoken by Diana Prince, who is talking to Steve Trevor. Diana is telling Steve that love is the most powerful force in the universe, and that it can overcome any obstacle.

This quote is a reminder that love is the most important thing in life. It is the force that binds us together and makes us stronger. We should never underestimate the power of love, and we should always strive to spread it to others.

Wonder Woman is a powerful symbol of strength, courage, and hope. Her quotes are a source of inspiration for people of all ages. They remind us

that we have the power to create our own future, that we should not be defined by what others think of us, that we all have the potential to make a difference in the world, that we should believe in ourselves, and that love is the most important thing in life.

We can all learn from Wonder Woman's example. We can be strong, courageous, and hopeful. We can make a difference in the world. We can be the heroes that we need.
