

Journal of Soviet and Post-Soviet Politics and Society: An In-Depth Exploration

The Journal of Soviet and Post-Soviet Politics and Society (JSPPS) is a leading scholarly journal that has been providing invaluable insights into the Soviet and post-Soviet era for over three decades. Published by Routledge, Taylor & Francis Group, the journal is dedicated to promoting the study of the Soviet Union and its successor states, with a particular focus on the political, social, and economic dynamics that have shaped this region since the Bolshevik Revolution.

History and Scope

JSPPS was founded in 1988, during a period of significant political and social change in the Soviet Union. The journal quickly established itself as a platform for scholars from around the world to publish their research on the Soviet Union and its successor states. Over the years, JSPPS has expanded its scope to encompass a wide range of topics, including:

- Soviet history and historiography
- Russian and post-Soviet politics
- Economic transformation in the post-Soviet era
- Social and cultural change in the Soviet and post-Soviet societies
- International relations and foreign policy of the Soviet Union and its successor states

Editorial Board and Review Process

JSPPS is guided by an esteemed editorial board composed of leading scholars in the field of Soviet and post-Soviet studies. The journal employs a rigorous peer-review process to ensure the quality and academic rigor of the published articles. All submissions undergo blind peer review by experts in the relevant field, ensuring the objectivity and credibility of the published research.

Impact and Contributions

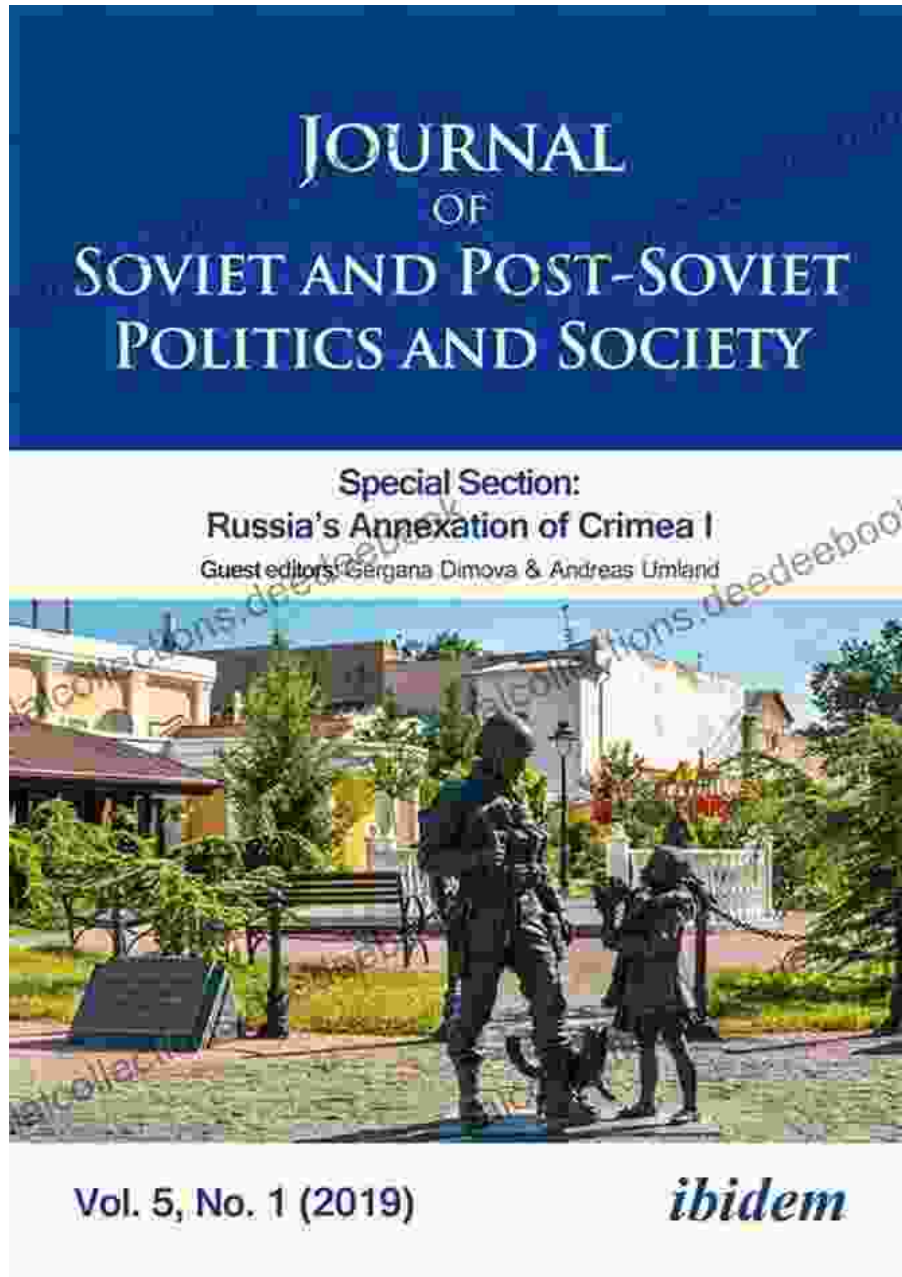

JSPPS has made significant contributions to the field of Soviet and post-Soviet studies. The journal has published groundbreaking research that has helped to shape our understanding of the Soviet era, the collapse of the Soviet Union, and the subsequent political, economic, and social transformations in the post-Soviet space. JSPPS has also provided a platform for emerging scholars to present their research and engage with established scholars in the field.

Online Access and Availability

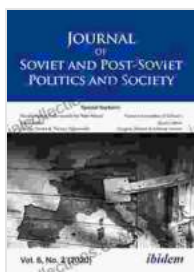

JSPPS is available online through the Taylor & Francis Online platform. This provides scholars and students with easy access to the full text of

articles, as well as the ability to search and browse the journal's archives. The online platform also offers a range of tools for citation management and article sharing.

The Journal of Soviet and Post-Soviet Politics and Society is an essential resource for scholars, students, and policymakers interested in the Soviet and post-Soviet era. Its rigorous scholarship, broad scope, and esteemed editorial board make it a leading platform for research and debate on this fascinating and complex region of the world.
