Format of the Theory Test

The Theory Test consists of two parts:

1. Multiple choice questions
2. Hazard perception

Multiple Choice Questions

There are 50 multiple choice questions in the Theory Test. Each question has four possible answers, only one of which is correct. You must answer at least 43 questions correctly to pass this section.

Hazard Perception

The hazard perception test consists of 14 video clips. In each clip, you will see a developing hazard. You must click the mouse button as soon as you recognize the hazard. You will receive points for each hazard you identify correctly. You must score at least 44 points to pass this section.

Content of the Theory Test

The Theory Test covers a wide range of topics, including:

- Road signs and markings
- Vehicle safety and maintenance
- Road user attitudes
- Speed limits and road conditions
- Vulnerable road users
- Alcohol and drug driving

Preparing for the Theory Test

There are a number of ways to prepare for the Theory Test, including:

- Studying the official DVSA Theory Test materials
- Taking practice tests
- Using online resources

- Attending a theory test preparation course

Official DVSA Theory Test Materials

The official DVSA Theory Test materials include:

- The Highway Code
- Know Your Traffic Signs
- The Official DVSA Theory Test Kit

Practice Tests

Practice tests are a great way to test your knowledge and identify areas where you need to improve. There are a number of practice tests available online and in bookshops.

Online Resources

There are a number of online resources that can help you prepare for the Theory Test, including:

- The DVSA website
- Theory Test Pro
- Driving Theory 4 All

Theory Test Preparation Courses

Theory test preparation courses are available from a number of driving schools. These courses typically cover all of the topics that are tested on the Theory Test and provide practice tests and mock exams.

Taking the Theory Test

The Theory Test is taken at a DVSA test centre. You will need to bring your photo ID and Theory Test pass certificate with you. The test will take approximately 1 hour and 30 minutes to complete.

Results

You will receive your Theory Test results immediately after taking the test. You will need to pass both the multiple choice questions and the hazard perception test in order to pass the overall Theory Test.

If you fail the Theory Test, you will need to retake both parts of the test. You can retake the test as many times as necessary until you pass.

The DVSA Theory Test is an important step towards obtaining a full driving license. By preparing thoroughly and taking the test seriously, you can increase your chances of passing first time.
