### **Can Read Level: A Measure of Reading Comprehension**

The "can read level" of a text refers to the grade level at which a student is expected to be able to read and comprehend the text. It is determined by a combination of factors, including vocabulary difficulty, sentence length, and text structure. For "Wanted Dead Or Alive," the can read level is approximately Grade 8. This suggests that students in Grade 8 and above should be able to read and understand the song without significant difficulty.

### **Key Themes and Adolescent Development**

"Wanted Dead Or Alive" explores several key themes that are highly relevant to adolescent development. These themes include:

### **1. Identity and Self-Definition**

The song's protagonist is a young man who is struggling to find his place in the world. He feels lost and alone, and he longs for a sense of belonging. This longing is expressed in the lyrics, "I'm a cowboy, on a steel horse I ride / I'm wanted dead or alive." The cowboy imagery symbolizes the protagonist's desire for freedom and adventure, but it also reflects his feelings of isolation and vulnerability.

### **2. Conflict and Rebellion**

The protagonist of "Wanted Dead Or Alive" is in conflict with the world around him. He feels that he does not fit in, and he rebels against societal expectations. This conflict is reflected in the lyrics, "I'm a loner, Dottie, a rebel / And I like to be bad." The protagonist's rebellion is a way of asserting his independence and expressing his frustrations.

### **3. Love and Loss**

The song also touches on the theme of love and loss. The protagonist is longing for a love that will make him feel whole. However, he is disillusioned by love and has come to believe that it is impossible to find true happiness. This disillusionment is expressed in the lyrics, "I'm wanted dead or alive / But I'm a survivor."

### **Implications for Parents and Educators**

The themes explored in "Wanted Dead Or Alive" offer valuable insights into the challenges and experiences of adolescent youth. Parents and

educators can use the song as a starting point for conversations about important topics such as identity, rebellion, and love. By understanding the can read level and themes of "Wanted Dead Or Alive," parents and educators can better support young people as they navigate the complexities of adolescence.

### **1. Fostering a Sense of Identity**

"Wanted Dead Or Alive" highlights the importance of helping young people develop a strong sense of identity. Parents and educators can do this by encouraging young people to explore their interests, talents, and values. They can also provide opportunities for young people to express themselves creatively and develop their own unique voices.

### **2. Addressing Conflict and Rebellion**

Conflict and rebellion are natural parts of adolescent development. Parents and educators need to be aware of these challenges and respond to them in a supportive and constructive way. Instead of punishing young people for their rebellion, parents and educators should try to understand the underlying causes and work with young people to develop healthy coping mechanisms.

### **3. Supporting Young People Through Love and Loss**

Adolescence is often a time of great emotional upheaval. Young people may experience their first loves, heartbreaks, and other significant losses. Parents and educators can provide support by listening to young people's concerns, validating their feelings, and helping them to develop healthy coping strategies.

"Wanted Dead Or Alive" by Bon Jovi is not only a catchy and iconic rock anthem but also a valuable resource for parents and educators. Its can read level and relatable themes offer insights into the challenges and experiences of adolescent youth. By understanding the song's can read level and themes, parents and educators can better support young people as they navigate the complexities of adolescence. Through fostering a sense of identity, addressing conflict and rebellion, and supporting young people through love and loss, parents and educators can help young people grow into healthy and resilient adults.
